One (1) post-doc position in the framework of Public Investments Programs “ΠΔΕ00007-11”

Ref. 833
Heraklion 2/8/2018

The Institute of Electronic Structure and Laser (IESL) of the Foundation for research and Technology Hellas (FORTH), in the framework of Public Investments Programs “ΠΔΕ00007-11”, is seeking to recruit one (1) post-doctoral researcher in linear and nonlinear dynamics and rheology of polymer melts and solutions of different architecture.

Job Description
Experimental investigations of shear (mainly) and extensional rheology of well-characterized polymers of varying molar mass and architecture. Complementary dielectric and DSC measurements as needed. Goal is to link rheology and dynamics to structure. Selected light and neutron scattering experiments are envisaged. Upgrades of existing specialized setups (for example, for measuring normal stresses) is also planned. Analysis based on tube models and collaboration with simulations groups.

Required qualifications
- PhD in soft materials physics or chemical engineering (30%)
- Experience with rheology, dielectric spectroscopy and DSC (25%)
- Knowledge of and published work on polymer physics with emphasis on dynamics (20%)
- Experience with data analysis (15%)
- Knowledge of English (10%)

Location: IESL-FORTH, Heraklion Crete GREECE
Start Date: September 15, 2018
Project Duration: 12 months with possibility of extension according to the needs of the project
Monthly salary: apox. 1100 euro

Application Submission
Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than the August 17, 2018, 23:59 local Greece time to the address (hr@iesl.forth.gr), with cc to scientific coordinator, Prof. Dimitris Vlassopoulos (dvlasso@iesl.forth.gr).

In order to be considered, the application must include:
- Application Form (please download file from the job announcement webpage)
- Brief CV
- Scanned copies of academic titles
Any application received after the deadline will not be considered for the selection

Contact
For any further information and/or questions regarding the application and selection procedure, please contact the secretariat (hr@iesl.forth.gr), tel. +30 2810-391301.
For information and questions about the advertised position and the research activity of the group or the institute, please contact the scientific coordinator, Prof. Dimitris Vlassopoulos (dvlasso@iesl.forth.gr).

Selection Announcement
The result of the selection will be announced on the website of IESL-FORTH.
Candidates have the right to appeal the selection decision, by addressing their written objection to the IESL secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of IESL-FORTH in line with the Hellenic Data Protection Authority.

GDPR
FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.
FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.
FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one’s legitimate legal rights’ as defined in the Regulation EU/2016/679 and/or in national law.
We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.
We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority.
For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.
You have the right to withdraw your application and consent for the processing of your personal data at any time.
We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
