One post-doc position in the project

MIR-BOSE

Mid- and far-IR optoelectronic devices based on Bose-Einstein condensation

(Call: H2020-FETOPEN-1-2016-2017, GA 737017)

Funded under H2020-E.U.1.2.1.

The Institute of Electronic Structure and Laser (IESL) of the Foundation for research and Technology Hellas (FORTH), in the frame of the project MIR-BOSE, (Call: H2020-FETOPEN-1-2016-2017, Proposal number: 737017) funded under H2020-E.U.1.2.1. - RIA - Research and Innovation action, is seeking to recruit one (1) post-doctoral researcher.

Job Description
Postdoctoral Researcher with strong experimental experience in ultrafast time-domain Terahertz pump/probe spectroscopy using both electro-optic and plasma techniques. Studies of THz semiconductor quantum devices.

Required qualifications
- Experimental experience in strong THz field science 70%
- PhD in Physics 20%

Additional qualifications
- English language knowledge 10%

Location: IESL-FORTH, Heraklion Crete GREECE
Start Date: 1st of January, 2019
Project Duration: 12 Months with possibility of extension according to the needs of the project
Monthly salary (approximately): 1100 - 1500 euro
Application Submission
Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than November 27, 2018, 23:59 local Greece time to the address (hr@iesl.forth.gr), with cc to the Scientific Coordinator Prof. Stelios Tzortzakis (stzortz@iesl.forth.gr).

In order to be considered, the application must include:
- Application Form (please download file from the job announcement webpage http://www.iesl.forth.gr/research/showfile.aspx?Id=20181121146)
- Brief CV
- Scanned copies of academic titles

Any application received after the deadline will not be considered for the selection

Contact
For information and questions regarding the application and selection procedure, candidates are asked to contact the secretariat (hr@iesl.forth.gr), tel. +30 2810-391301.
For information and questions about the advertised position and the research activity of the group or the institute, please contact Prof. Stelios Tzortzakis (stzortz@iesl.forth.gr).

Selection Announcement
The result of the selection will be announced on the website of IESL-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the IESL secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of IESL-FORTH in line with the Hellenic Data Protection Authority.

GDPR
FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.
FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.
FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights’ as defined in the Regulation EU/2016/679 and/or in national law.
We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.
We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.
You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
