OPENING for

Six Post-Doctoral “Stavros Niarchos Foundation – FORTH Fellowships” within the project

ARCHERS: Advancing Young Researchers’ Human Capital in Cutting Edge Technologies in the Preservation of Cultural Heritage and the Tackling of Societal Challenges

Exclusively funded by the Stavros Niarchos Foundation

Ref. 55

Heraklion 1/2/2017

The Institute of Electronic Structure and Laser (IESL) of the Foundation for research and Technology Hellas (FORTH), in the framework of the project ARCHERS, aimed at reducing or even reversing the brain drain, which is funded by an exclusive donation of the Stavros Niarchos Foundation, is seeking to recruit six post-doctoral fellows.

Job Description
These Stavros Niarchos Foundation – FORTH fellows are expected to perform high quality research within one of the research areas, in which FORTH-IESL excels both on the national and the international level (www.iesl.forth.gr). More specifically, the domains of interest in the present project are the preservation of cultural heritage and the science and innovation in the areas of environment, clean energy and health.
Eligibility criteria
- PhD degree in Physical Sciences or Engineering
- Good knowledge of Greek and English language

Desirable qualifications
- Publications in high impact peer-review journals (40%)
- Participation in national and international conferences (20%)
- Quality of the proposed post-doctoral project (20%)
- Ability and motivation to perform independent research (10%)
- Previous post-doctoral research experience (10%)

Location: IESL-FORTH, Heraklion Crete GREECE
Start Date: 1st of April, 2017
Duration of appointment: 12 months (with possibility of extension according to the needs of the project).

Application Submission
Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than the 28 of February 2017, 23:59 local time (Greece) to the address (hr@iesl.forth.gr) with cc. to the address (georgina@iesl.forth.gr).

In order to be considered, the application must include:
- Detailed curriculum vitae (CV) of the candidate
- Statement of purpose with a proposed project in a specific sub-area of research and a relation to the appropriate scientific contact person (maximum 2 pages)
- Copies of academic titles/transcripts
- Language certificates
- At least one reference letter

Any application received after the deadline will not be considered for the selection

Contact
For information and questions regarding the application and selection procedure, candidates are asked to contact Dr. Georgina Kaklamani (georgina@iesl.forth.gr, tel. +30 2810-391355).

Selection Announcement
The result of the selection will be announced on the website of IESL-FORTH.
Candidates have the right to appeal the selection decision, by addressing their written objection to the IESL secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of IESL-FORTH in line with the Hellenic Data Protection Authority.
