

DEADLINE EXTENSION

One (1) post-doctoral researcher position

in FORGREENSOFT project

Advancing Research & Innovation of FORTH in Green Soft Matter

(Topic: HORIZON-WIDERA-2021-ACCESS-03-01 - Twinning

Call: HORIZON-WIDERA-2021-ACCESS-03, GA 101078989)

Funded under CSA - Coordination and support action

European
Innovation
Council

Ref. 118805

Heraklion 11/9/2023

The Institute of Electronic Structure and Laser of the Foundation for research and Technology Hellas (IESL -FORTH), in the framework of the project FORGREENSOFT, (Call: HORIZON-WIDERA-2021-ACCESS-03, GA 101078989), Funded under CSA - Coordination and support action, is seeking to recruit one (1) post-doctoral researcher.

Job Description

Computational modelling of Polymeric and Colloidal Systems with emphasis in novel methodologies involving hierarchical simulation approaches across scales and incorporating hydrodynamic interactions. The idea is to develop new computational tools and methodologies and implemented them in systems of technological importance, such as polymer-based complex materials, colloids, gels etc., with a Green spin, as for example systems involving cellulose and lignin. The project(s) will be in collaboration with the groups of Kurt Kremer at the Max Planck Institute for Polymer Research (Mainz, Germany) and of Christos Likos at the University of Vienna (Austria).

Required qualifications

- PhD Degree in Soft Matter Physics, Materials Science, Chemical Engineering or related (20%)
- Experience in Simulations and Modelling of Soft Matter systems (30%)
- Publication record (20%)
- Two (2) Reference Letters (20%)

Additional qualifications

Experience in analysis of experimental data (10%)

Location: IESL-FORTH, Heraklion Crete GREECE

Start Date (earliest): December 1, 2023

Project Duration: 12 Months with possibility of extension according to the needs of the project

Application Submission

Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than **November 5, 2023, 23:59 local Greece time** to the address (hr@iesl.forth.gr), with cc to Prof. George Petekidis (georgp@iesl.forth.gr).

In order to be considered, the application must include:

- Application Form (please download file from the job announcement webpage <https://www.iesl.forth.gr/en/jobs-bids/jobs/job-positions>)
- Detailed curriculum vitae (CV) of the candidate
- Scanned Copies of academic titles

Any application received after the deadline will not be considered for the selection

Contact

For information and questions regarding the application and selection procedure, candidates are asked to contact the secretariat (hr@iesl.forth.gr), tel. +30 2810-391301.

For information and questions about the advertised position and the research activity of the group or the institute, candidates are asked to contact Prof. George Petekidis (georgp@iesl.forth.gr), tel. +30 2810-391490.

Selection Announcement

The result of the selection will be announced on the website of IESL-FORTH.

Candidates have the right to appeal the selection decision, by addressing their written objection to the IESL secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of IESL-FORTH in line with the Hellenic Data Protection Authority.

GDPR

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data**. FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law. FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law. We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws. We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr. You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
