for Research & Innovation

**Ref. 66866**  
**Heraklion 1/12/2021**

The Institute of Electronic Structure and Laser (IESL) of the Foundation for research and Technology Hellas (FORTH), in the framework of the project IPERION HS, (Call: H2020-INFRAIA-2019-1, Proposal number: 871034), funded under H2020-EU.1.4.1.2. – Integrating and opening existing national and regional research infrastructures of European interest, is seeking to recruit one post-doctoral researcher.

**Job Description**

The researcher is expected to participate in competitive research focusing on developing analytical methodologies and instrumentation based on spectrochemical techniques (e.g. LIF, Raman, Fluorescence excitation-emission spectroscopy etc) targeted for applications in the field of heritage science diagnostics. This research will be conducted in the context of a highly cross-disciplinary project, IPERION-HS, aiming to establish a unique European Research Infrastructure for the restoration and conservation of Cultural Heritage. The project joins together major centers of research in Heritage Science, including outstanding research institutes, as well as prestigious research laboratories and conservation centers in museums and universities. In this context the researcher is expected to have the ability to interact fruitfully with collaborators both at home and within the IPERION HS network of laboratories.

**Required qualifications**

- PhD in Physical Sciences or Engineering (20%)
- Experience in analytical spectroscopy (20%)
- Experience in analytical instrumentation and methodology development (20%)

**Desirable qualifications**

- Experience with studies of heritage objects/materials (object analysis, campaigns) (15%)
- Ability and motivation to perform independent research (10%)
- Relevant scientific publications (15%)

**Location:** IESL-FORTH, Heraklion Crete GREECE

**Start Date (earliest):** March 1, 2022

**Project Duration:** 12 Months with possibility of extension according to the needs of the project

### **Application Submission**

Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than **February 1, 2022, 23:59 local Greece time** to the address ([hr@iesl.forth.gr](mailto:hr@iesl.forth.gr)), with cc to Prof. Demetrios Anglos ([anglos@iesl.forth.gr](mailto:anglos@iesl.forth.gr)).

### **In order to be considered, the application must include:**

- Application Form (please download file from the job announcement webpage <https://www.iesl.forth.gr/en/jobs-bids/jobs/job-positions>)
- Detailed curriculum vitae (CV) of the candidate
- Scanned Copies of academic titles
- Reference letter(s), e-mailed directly to [anglos@iesl.forth.gr](mailto:anglos@iesl.forth.gr) and cc to [hr@iesl.forth.gr](mailto:hr@iesl.forth.gr)

### **Any application received after the deadline will not be considered for the selection**

### **Contact**

For information and questions regarding the application and selection procedure, candidates are asked to contact the secretariat ([hr@iesl.forth.gr](mailto:hr@iesl.forth.gr)), tel. +30 2810-391301.

For information and questions about the advertised position and the research activity of the group or the institute, candidates are asked to contact Prof. Demetrios Anglos ([anglos@iesl.forth.gr](mailto:anglos@iesl.forth.gr)), tel. +30 2810-391154.

### **Selection Announcement**

The result of the selection will be announced on the website of IESL-FORTH.

Candidates have the right to appeal the selection decision, by addressing their written objection to the IESL secretariat within five (5) working days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of IESL-FORTH in line with the Hellenic Data Protection Authority.

### **GDPR**

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data**. FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law. FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law. We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws. We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at [dpo@admin.forth.gr](mailto:dpo@admin.forth.gr). You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
