

**One (1) post-doc position & two (2) research assistant positions**  
**in NANOMAT project**  
**Heterogeneous MATerial and technological platform for a new domain of power**  
**NANOelectronics**

**(Call: HORIZON-CL4-2022-RESILIENCE-01, GA 101091433)**  
**Funded under European Health and Digital Executive Agency (HADEA)**

Funded by  
the European Union

**Ref. 96778**

**Heraklion 20/12/2022**

The Institute of Electronic Structure and Laser of the Foundation for research and Technology Hellas (IESL-FORTH), in the framework of the project NANOMAT, (P.I. G. Konstantinidis, Call: HORIZON-CL4-2022-RESILIENCE-01, GA ID 101091433), funded under HADEA, is seeking to recruit one post-doctoral researcher and two research assistants.

**Post-doc**

Innovation and technology management specialist.

**Required qualifications**

- BSc in Physical Sciences (10%)
- PhD in materials science & technology or Physics (10%)
- Significant experience in gallium nitride technology with relevant publications (20%)
- Strong academic knowledge and professional experience in business development and innovation & technology management (30%)
- Specialization in intellectual property management and business strategy (5%)
- Strong knowledge in patent landscaping (10%)
- Market analysis (10%)
- Knowledge of Greek, English and French (5%)

**Research assistant 1**

Support, upgrade and installation research infrastructure and research equipment

**Required qualifications**

- BSc in Electrical Engineering from Technological Educational Institute (15%)
- 10-year experience in supporting industrial electro/mechanical infrastructure (30%)
- Experience in handling of industrial gases (10%)
- Experience with water purifying systems (10%)
- Experience in processing of ceramic materials (5%)
- Knowledge of automated control systems and smart sensors (5%)
- Computer skills (autocad, ladview, matlab etc) (5%)
- Knowledge of English language (at least B2 level) (5%)

**Additional qualifications**

- Knowledge in programming micro controllers (5%)
- Knowledge in supervising electro-mechanical projects (5%)
- Knowledge in submitting and evaluating commercial offers (5%)

**Location:** IESL-FORTH, Heraklion Crete GREECE

**Start Date (earliest):** February 1, 2023

**Project Duration:** 11 Months with possibility of extension according to the needs of the project

**Research assistant 2**

A research assistant position to handle nanomaterial deposition, prepare related devices and perform electrical characterization

**Required qualifications**

- Bachelor in Electrical or electronic engineering (30%)
- Master in electronics or related field (30%)
- Experience in electrical measurements of test devices (20%)
- Experience in installation and equipment maintenance (20%)

**Location:** IESL-FORTH, Heraklion Crete GREECE

**Start Date (earliest):** February 1, 2023

**Project Duration:** 6 Months with possibility of extension according to the needs of the project

**Application Submission**

Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than **December 30, 2022, 23:59 local Greece time** to the address ([hr@iesl.forth.gr](mailto:hr@iesl.forth.gr)), with cc to the P.I., Dr George Konstantinidis ([aek@physics.uoc.gr](mailto:aek@physics.uoc.gr)).

**In order to be considered, the application must include:**

- Application Form (please download file from the job announcement webpage <https://www.iesl.forth.gr/en/jobs-bids/jobs/job-positions>)
- Detailed curriculum vitae (CV) of the candidate
- Scanned Copies of academic titles

**Any application received after the deadline will not be considered for the selection****Contact**

For information and questions regarding the application and selection procedure, candidates are asked to contact the secretariat ([hr@iesl.forth.gr](mailto:hr@iesl.forth.gr)), tel. +30 2810-391301.

For information and questions about the advertised position and the research activity of the group or the institute, candidates are asked to contact Dr George Konstantinidis ([aek@physics.uoc.gr](mailto:aek@physics.uoc.gr)), tel. +30 2810-394103.

**Selection Announcement**

The result of the selection will be announced on the website of IESL-FORTH.

Candidates have the right to appeal the selection decision, by addressing their written objection to the IESL secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of IESL-FORTH in line with the Hellenic Data Protection Authority.

**GDPR**

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data**. FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law. FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law. We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.
