

*Deadline and start day extension*

**Two (2) post-doc positions in the framework of Forth Synergy Grant  
“RINGS”**

**Ref. 18090**

**Heraklion 5/11/2019**

The Institute of Electronic Structure and Laser (IESL) of the Foundation for research and Technology Hellas (FORTH), in the framework of Forth Synergy Grant “RINGS”, is seeking to recruit two (2) post-doctoral researchers in the Rheology of ring polymers and their mixtures.

**Job Description**

The focus of the research effort is on studying the linear and nonlinear rheology of melts and solutions involving ring polymers. A combination of advanced rheometry and scattering will be used. Candidates should have experience in one or more of the following areas: rheology/rheometry, polymer physics, soft matter, and scattering. Required skills include strong background in quantitative analysis and communication skills.

**Required qualifications**

- PhD in related topics (rheology, scattering, soft matter) (20%)
- Rheology/rheometry (25%)
- Polymer physics (20%)
- Scattering (10%)
- Quantitative analysis (15%)
- Communication/English (10%)

**Location:** IESL-FORTH, Heraklion Crete GREECE

**Start Date:** March 1, 2020

**Project Duration:** 12 months with possibility of extension according to the needs of the project

**Application Submission**

Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than **January 31, 2020, 23:59 local Greece** time to the address ([hr@iesl.forth.gr](mailto:hr@iesl.forth.gr)), with cc to Prof. Dimitris Vlassopoulos ([dvllasso@iesl.forth.gr](mailto:dvllasso@iesl.forth.gr)).

**In order to be considered, the application must include:**

- Application Form (please download file from the job announcement webpage <https://www.iesl.forth.gr/en/jobs-bids/jobs/job-positions>)
- Brief CV
- Scanned copies of academic titles

**Any application received after the deadline will not be considered for the selection**

**Contact**

For information and questions regarding the application and selection procedure, candidates are asked to contact the secretariat ([hr@iesl.forth.gr](mailto:hr@iesl.forth.gr)), tel. +30 2810-391301.

For information and questions about the advertised position and the research activity of the group or the institute, please contact Prof. Dimitris Vlassopoulos ([dvllasso@iesl.forth.gr](mailto:dvllasso@iesl.forth.gr)).

**GDPR**

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data**.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the **Regulation EU/2016/679** you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at [dpo@admin.forth.gr](mailto:dpo@admin.forth.gr).

You have the right to withdraw your application and consent for the processing of your personal data at any time.

We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
