

Deadline extension

Two (2) master student positions in the framework of Public Investments Programs “ΠΔΕ00731”

Ref. 118889

Heraklion 11/9/2023

The Institute of Electronic Structure and Laser of the Foundation for research and Technology Hellas (IESL -FORTH), in the framework of Public Investments Programs “ΠΔΕ00731” (P.I. Prof. G. Petekidis), is seeking to recruit two (2) master students to work in Experimental studies of colloidal systems and composite Soft materials for Energy Applications.

Job 1

Study of the mechanical properties, microstructure and ionic conductivity of composite systems consisting of colloidal suspensions or gels with composite electrolytes of low molecular weight doped liquid poly(ethylene glycol). Experiments will include combined rheo-imaging, scattering and conductivity measurements.

Job 2

Use of shear and flow history protocols to control and tune the microstructure and macroscopic properties of thixotropic, metastable colloidal gels. Interplay between thermodynamic phase equilibrium and metastability will be explored. Experiments will include combined rheo-imaging and scattering.

Required qualifications

- Bachelor's Degree in Physics, Materials Science or Chemical Engineering (30%)
- Background in Experimental Soft Matter science (30%)
- Good knowledge of English (10%)

Additional qualifications

Programming skills (preferably Python, or Matlab or C++) (20%)

Location: IESL-FORTH, Heraklion Crete GREECE

Start Date: November 1, 2022

Project Duration: 6 months with possibility of extension according to the needs of the project

Monthly salary: 500 euro (net)

Application Submission

Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than **October 2 2023, 23:59 local Greece** time to the address (hr@iesl.forth.gr), with cc to Prof. George Petekidis (georgp@iesl.forth.gr).

In order to be considered, the application must include:

- Application Form (please download file from the job announcement webpage <https://www.iesl.forth.gr/en/jobs-bids/jobs/job-positions>)
- Brief CV
- Scanned copies of academic titles
- University department certificate for enrollment in a master's program

Any application received after the deadline will not be considered for the selection

Contact

For any further information and/or questions regarding the application and selection procedure, please contact the secretariat (hr@iesl.forth.gr), tel. +30 2810-391301.

For information and questions about the advertised position and the research activity of the group or the institute, please contact Prof. George Petekidis (georgp@iesl.forth.gr).

Selection Announcement

The result of the selection will be announced on the website of IESL-FORTH.

Candidates have the right to appeal the selection decision, by addressing their written objection to the IESL secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of IESL-FORTH in line with the Hellenic Data Protection Authority.

GDPR

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data**.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the **Regulation EU/2016/679** you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
